

JD Edwards Community - Networking Event France

Jeudi 28 Février 2019 - La Maison Petrowski, Lille

JD Edwards Community - Networking Event UK
Thursday 21st Feb 2019 - HMS Belfast, London

INVITES YOU TO THE FIRST IN A SERIES OF...

JD Edwards Community Networking Events - Spring 2019

The format of these events is focussed on knowledge sharing with your peers and a small number of invited industry experts from Pixontri at our prestige location. Join us and discover new ways to optimise your JD Edwards systems.

You can choose to attend the France event in Lille or the UK event in London whichever is most convenient to you and your team members. Workshop topics open for discussion include: -

- **Finance** - AP Invoice Scanning & Approval, Treasury, Intercompany Billing, Expenses
- **Supply Chain** - Blanket Orders
- **Manufacturing** - Planning, Job Costing
- **Reporting** - BI & Dashboards, Realtime Reporting
- **Development** - Upgrades, Best practises, Interfacing mechanisms
- **JDE 9.2.3** - UI and User Defined Objects, Benefits
- Any other areas of particular interest on the day
